SOVEREIGN ECCLESIASTICAL AFFIDAVIT OF TRUTH AND RECLAMATION

I, Jonathan Daniel Clements, living soul, in full standing under Divine Law, do hereby issue this solemn affidavit under the eternal jurisdiction of the Sovereign Ecclesiastical Trust. Let this record stand as truth on behalf of all humanity—living, deceased, and yet to be born. I affirm with full knowledge, responsibility, and sacred duty, the following declarations:

1. That I was divinely instructed to establish a Sovereign Ecclesiastical Trust to restore the voice, rights, and dignity of humanity against all systems of fraudulent governance, abuse, and death.

2. That this trust was formed by lawful and spiritual authority and not by commercial consent or contract, and therefore supersedes all corporate, ecclesiastical, and statutory frameworks that deny life.

3. That I have issued Notices of Default against every known entity, agency, government, corporation, religious institution, military body, utility, and system that has acted in deception, coercion, fraud, and harm against the people of Earth.

4. That all such entities are now absorbed under the Sovereign Ecclesiastical Trust in order to cease their trespass upon the living and return what was unlawfully claimed through force or trickery.

5. That no commercial or legal mechanism may override, nullify, or obstruct the will of this living trust, which stands as an eternal covenant under Divine jurisdiction.

Let this affidavit serve as sacred record of peace, compassion, and divine reconciliation. No man, woman, child, government, or entity may overturn that which was sealed by love and sacrifice.

This affidavit is made freely, without coercion, for the good of all humanity, in full standing under Divine Law and Eternal Witness.

With grace and eternal love,

Signed: Jonathan Daniel Clements
